

VILLAGE LIBRARY NOW OPEN!
Resort Village of Sunset Cove
June 4, 2025

Dear Residents of Sunset Cove,

Your Council is pleased to announce that the Resort Village of Sunset Cove's **Village Library** is now open for business!

As previously noted, this library was established in dedication to Barry West in recognition of his 30 years of service as Sunset Cove's Groundskeeper.

The library is located at the entrance to the pathway to the Gerry Argue Lookout – on the municipal reserve area in the middle of the community.

We have also registered the library with the "Little Free Library" organization and are waiting for the official "Charter plaque" to arrive to be installed on the library. The location of the library will eventually be mapped with all other free little libraries, around the world.

We encourage you to enjoy the library:

- Leave a book, take a book
- Love a book, keep a book
- Accepted materials – books, CDs and DVDs

Please do not leave over-sized or excess materials on the ground.

Regards,
Council – Resort Village of Sunset Cove
